

# EB-FH06

## DATASHEET / BROCHURE

Bring films to life with this easy-to-use Full HD, 3,500 lumens projector with optional Wi-Fi.

Supersize your content in the office and at home in style on a 332 inch display with this Full HD projector. Get up and running quickly with this hassle-free model that's designed for easy installation. Featuring 3LCD technology and 3,500 lumens of brightness, movies will be as the director intended with a bright and clear display. So sit back and enjoy 18 years' worth of entertainment thanks to its long lamp light source.

### Bigger is better

Whether you're watching your favourite film or delivering a presentation, this projector can achieve an impressive 332 inch display. It's great quality too, with 3LCD technology that makes the display up to three times brighter than competitor products<sup>1</sup>. In addition to its bright and vivid colours, the 16,000:1 contrast ratio produces defined shadows and deep blacks. From family and friends to business colleagues and clients, it's sure to get everyone's attention.

### High-quality, bright images

Even in bright rooms, this powerful yet affordable Full HD projector delivers exceptionally bright yet colourful images with clear details. It's all thanks to 3LCD technology, which produces an equally high White and Colour Light Output of 3,500 lumens.

### Long-lasting solution

Looking for a long-term, hassle-free and affordable solution for your projection needs? This model's long-lasting lamp light source provides you with 18 years' worth of entertainment<sup>2</sup>.

### Stress-free set-up

Here's a projector that's designed with portability and quick set up in mind. The carry case makes it easy to move from room to room, and you can quickly position the image with keystone correction and access content simply with the HDMI inputs.
