

Epson EB-G6450WU

Powerful 4,500-lumen EB-G6450WU professional installation projector with WUXGA screen resolution to deliver sharper, clearer presentations.

The Epson EB-G6450WU Full HD projector for the office is ideal for medium to large meeting rooms. Business presentations are delivered with rich, vivid colours - even in daylight. This is thanks to Epson's 3LCD technology enabling an equally high White and Colour Light Output of 4,500 lumens, and a WUXGA resolution.

The Epson EB-G6450WU boasts superior picture quality, ensuring the best possible projection for important presentations. The Colour Uniformity function compensates for unequal colour distribution by adjusting the intensity of RGB on individual areas of the screen.

New and innovative features are designed to offer the best possible presenting tools. The projector can be rotated vertically by 360 degrees so the projection image can be easily moved around the room.

In addition, Frame Interpolation makes sure video footage is sharper and images are clearer with smoother, more fluid screen movement.

The Epson EB-G6450WU is easy to set up and use, thanks to a variety of user-friendly installation features. Pixel alignment, for example, enables the user to align pictures easily and effectively during set up for clear, correct images. With edge blending, a large, widescreen image can be projected from a number of projectors working together seamlessly. Its powerful zoom lens, as well as manual vertical keystone correction and centred lens, make it quick and easy to set up in a variety of positions without picture blurring or distortion.

With the HDMI input, you can connect a variety of high definition devices to deliver Full HD content effortlessly.

For simpler integration, this model is also compatible with the Epson EB-G5 series lenses¹.

WHAT'S IN THE BOX

- Cable cover
- Computer cable
- HDMI Cable Clamp
- Lens cap
- User manual (CD)

OPTIONAL ACCESSORIES

- Air Filter - ELPAF43
V13H134A43
- Lamp - ELPLP76
V13H010L76
- Ceiling Mount (White) - ELPMB22
V12H003B22
- Quick Wireless Connect USB key - ELPAP09
V12H005M09
- Wireless LAN Adapter (b/g/n) - ELPAP07
V12H418P13
- 3D Polarizer - ELPLP01
V12H618A01

OPTIONAL LENSES

- Lens (Long Throw) - ELPLL06
V12H004L06
- Lens (Middle Throw 1) - ELPLM04
V12H004M04
- Lens (Middle Throw 2) - ELPLM05
V12H004M05
- Lens (Rear Wide) - ELPLR03
V12H004R03
- Lens (Standard) - ELPLS06
V12H004S06
- Lens (ST Off Axis) - ELPLU01
V12H004U01

1. Except ELPLS05 lens
