

Epson EB-X12

Deliver engaging, high-quality presentations with this affordable, easy-to-use projector that comes with a wide range of smart features.

Make your budget go further with the EB-X12 - the high-quality XGA projector with a wide range of features and an affordable price tag.

High-quality picture: With an equally high White and Colour Light Output of 2,800 lumens, you can even present in daylight. The 3,000:1 contrast ratio ensures sharper detail.

User-friendly: Aligning the picture is quick and easy with automatic vertical keystone correction and an innovative horizontal keystone slider that's unique to Epson. The horizontal keystone slider is an innovative and intuitive new design feature from Epson, making it easy to adjust images to the correct shape when the projector is placed at an angle to the screen. With Epson's 3-in-1 USB Display feature, one cable is all you need for picture, sound and page up/down control. Alternatively, the PC-free function lets you present still photos directly from a USB stick without powering up your computer. Aligning the picture is quick and easy with automatic vertical keystone correction and an innovative horizontal keystone slider that's unique to Epson.

Engaging: Capture the attention of your audience by directly plugging in the optional ELPDC06 USB Visualiser to give a close-up view of documents and 3D objects, eliminating the need for photocopies. The HDMI input lets you display high-definition content, while a built-in 2W speaker ensures audio is delivered with clarity.

Value for money: This affordable projector has many features usually found on more expensive models, so businesses can deliver first-class presentations without breaking the budget. A long lamp life of 5,000 hours* keeps running costs low.

Versatile: The projector is compact and lightweight with a modern design, and offers the flexibility of both installation and mobile use. Weighing in at only 2.3kg, it's light enough to carry between meeting rooms with the included carrying bag,

*eco mode
