

# Epson EB-X14G

## DATASHEET / BROCHURE

Make your business' budget go further - this high-quality XGA projector has a wide range of features and an affordable price tag.

Packed with user-friendly features, this projector is straightforward to set up and use, allowing you to focus on delivering first-class business presentations. With Epson's 3-in-1 USB Display feature, one cable is all you need for picture, sound and page up/down control – it's the fastest way to display what's on your PC or Mac.

### High-quality image

Epson's 3LCD projector engine delivers natural, accurate colour reproduction, and with a White and Colour Light Output of 3,000 lumens as well as a 3,000:1 contrast ratio, you will always achieve a bright, high-quality picture.

### Easy set-up

Aligning the picture is quick and easy with the automatic vertical and manual horizontal keystone correction.

### Flexible

Compact and lightweight with a stylish, modern design, it offers the flexibility of both installation and mobile use. The direct power on/off feature enables the projector to be activated without pressing the power button – very convenient when ceiling mounted. If you're using it as a portable projector, the instant-off function means no cool-down time is required, allowing you to move on to the next meeting without delay.

### Low running costs

A long lamp life of 5,000 hours (in eco mode) helps cut maintenance time and keep running costs low.
