

EH-TW5210

DATASHEET / BROCHURE

Enjoy the big-screen experience at home and watch a movie every day for the next 11 years¹ with this affordable but powerful projector.

This 3D-capable 3LCD projector from Epson is all about affordable home cinema around the house, offering bright, colourful and high contrast Full HD images, a 30,000:1 contrast ratio, and advanced smart controls. A built-in 5W speaker and vertical/horizontal keystone correction make it easy to set-up and position.

Sharp, smooth images for the best looking films and TV

Using Epson's 3LCD technology for exacting brightness and colour, this Full HD projector features high White and Colour Light Output of 2,200 lumens and 30,000:1 dynamic contrast ratio. Together this technology ensures bright, vivid colours and deep blacks. Frame interpolation and Detail Enhancement provide sharper and smoother motion pictures and great detail, for greater clarity, and the EH-TW5210 can also convert standard 2D video into 3D.

Enjoy the big-screen experience with easy set-up

Aimed at people who want a truly big-screen experience at home to watch films, TV and sports, this projector delivers stunning Full HD entertainment at up to 332 inches. Positioning your projector to get a perfectly-aligned image is easy thanks to keystone correction.

Built-in speaker

Though it's primarily designed to be used with a separate sound system, an integrated 5W speaker on the EH-TW5210 makes initial set-up of the projector simple.
