

The lightest, brightest wireless projector

The Epson EMP-1717 is the perfect projector for serious mobile presenters who demand the best. It's light, compact and projects superb images at 2500 ANSI lumens brightness. True standalone support is provided by wireless file transfer and it's the world's first projector to offer USB connectivity. In addition, with the new easier to use Epson EasyMP software you can link projectors for multiple screen displays or one large display.

KEY FEATURES

- Outstanding presentations even in light rooms with 2500 ANSI lumens brightness
- Ultimate mobile projector - packed with features but weighing just 1.7kg
- Produce a multi-screen or large scale display with new EasyMP software
- Secure wireless file transfer– with advanced levels of file encryption
- Pause presentations and redirect audience attention in an instant with the A/V Mute slide

PRODUCT SPECIFICATIONS

IMAGE
